1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on December 20, 2005 has been entered.

Applicants' response overcomes the objections and rejections set forth in the Office action mailed June 28, 2005. The examiner additionally relies upon paragraph [0029] of the specification as support for the amendment to claim 20.
